RESPONSE TO RESTRICTION

Dear Sir:

This Response and Election is filed herewith in response to the Restriction dated August 26, 2004, which is set to expire on September 26, 2004.

It was stated in the Office Action that the application contains the following separate patentable distinct species:

Species A:	Figure 6
Species B:	Figure 7
Species C:	Figure 9
Species D:	Figure 10

Applicants provisionally elect Species B (corresponding to Figure 7) with traverse, and withdraw the inventions claimed in Species A, C, and D from consideration. Applicants believe that Claims 1-21 and 23-28 are readable on Figure 7, which corresponds to Applicants' election of Species B. The elected claims include independent Claim 1, dependent Claims 2-8, independent Claim 9, dependent Claims 10-15, independent Claim 16, dependent Claims 17-21, independent Claim 23, and dependent Claims 24-28, which are readable on Figure 7.

Applicants respectfully traverse the restriction requirement. In particular, Applicants submit that the embodiment of Figure 9 is generic to the embodiments of Figures 6, 7, and 10, and Applicants further submit that the embodiment of Figure 6 is generic to the embodiments of Figures 7 and 10. Thus, Applicants believe each of Claims 1, 9, 16, and 23 are generic, and that each of these independent claims reads on the generic embodiments of Figures 6 and 9. Therefore, Applicants request that upon allowance of Claims 1, 9, 16, and 23, thought to be generic, consideration be given to claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim.

Applicant respectfully submits that the present election should not be interpreted or construed as a limitation on the breath and scope of elected and non-elected claims, but is merely a sufficient response to the restriction requirement.

The Commissioner is hereby authorized to charge any fees which may be required or credit any overpayment to deposit account 24-0040.

Should the Examiner have any further comments and suggestions, it respectfully requested that the Examiner telephone the undersigned in order to expeditiously resolve any outstanding issues.

Respectfully submitted,

Justin Liu
